

HAMMING IT UP AROUND THE COUNTRY

■ **Baja, California**
Valerie Walch of St. Louis, Mo. and Boca Grande and her granddaughter Sabrina, enjoy an intergenerational marine biology trip to Baja, Calif. last summer.

■ **Boca Grande Pass**
(Above), **Capt. Rob McCue** of New Port Richey and **Capt. Chuck Jenks** of Port Charlotte caught and released this Christmas tarpon after Hamming It Up with the Dec. 7 edition of the Boca Beacon.

■ **Canada**
Vroni Widmann of Attenkirchen in Bavaria, Germany, came to visit her cousin **Lee** and **Joe Krauter** of Boca Grande and Indiana this past fall. Both Lee and Vroni grew up in that little village, but it was Lee who was the tour guide and showed Vroni the sights of Gasparilla Island and all the way to Niagara Falls in Canada, which took her breath away.
